

FROM GOOD SHEPHERD PRESCHOOL & AFTER SCHOOL PROGRAM

Through children God keeps the hope of the future alive. God uses the innocence and boldness of children to remind us that our purpose in life is to reflect God's love.

As a new year begins, we set new goals and resolutions for our lives. Let's one of your resolutions be to share God's love to the children at Good Shepherd. You can Share God's love by coming to play, read a bible story, or have lunch with the children.

God blessed us so much during 2017. We got many new families in our program and we were also able to accomplish so many changes in our environment with the help of volunteers, donations, fundraisers and what not!! The school is so ready to welcome new families. Our school is now on the top of the list of the best ten preschools in Westminster.

Yes.....we are #1 on the list!! God is good!!

Our See's candies fundraiser was a success we collected \$935.00 in profits. We were able to buy new umbrellas and easy ups for shade. Plus give a Christmas appreciation gift to the teachers.

A very special thanks to Terry Priester for keeping our environment clean and everything in safe shape for the children. We really appreciate his continuous and kind help. And also to Rosa Pala (cleaning lady) and her family for donating many hours of their time to help improve our school. And I would like to take this opportunity to thank all of the brothers and sisters that helped the family that was in need. They were able to fix their car, pay their rent, buy food and have a very special Christmas thanks to the help of many of you.

I feel so grateful for your help and support. This is exactly what Good Shepherd is about, sharing the love and the blessings with others in need. We are praying and hoping that 2018 will be better than 2017, God's will.

Please continue to keeping Good Shepherd Preschool in your prayers.

**Good Shepherd Preschool/After School Program
looks forward to your visit in 2018**

**May all of you have a Blessed and Happy New
Year from the staff, children and families at Good
Shepherd Preschool**
